1. Welcome

Welcome to December's Income Generation & Funding Bulletin.

With the **Christmas Festive Season** just round the corner, this month's Income Generation bulletin is packed with lots of funding opportunities including the **United St Saviours Small Grants Fund Round 3**, which is a Southwark Opportunity! Grants of up to £5,000 are available. **The Fore** is another Funder offering small charities and social enterprises development funding and strategic support, with grants of up to £30k. Thinking of submitting a Community Right to Build application for a local community asset, the **Community-led Buildings grant programme** offers £5,000 - £20,000. And lots more ...

You may feel that you need some help in developing your business plan, fundraising strategy, or setting up financial controls? If that's the case, why not contact us to find out how we can help you?

Remember, you can also find out about local funding in between bulletins through [the Funding section](#) under 'News & Jobs' section of Community Southwark website. This bulletin cannot cover everything, but we can help you to do a [Funding Central](#) search based on your criteria, so do get in contact if you would like to do this.

If you would like any further support with development or income generation please contact the **Development Team** at development@communitysouthwark.org

Enjoy!

2.1 Upcoming training and events at Community Southwark:

Demonstrating Impact Made Easy: Creating Effective Outcomes Frameworks: 5 December 2017, 10am – 3pm

With increasing numbers of organisations required to prove that their work delivers real results that make a difference in their communities, this workshop will help you to understand the concepts involved in evaluation and show you how to create an effective evaluation framework for your project.

Value of Volunteering - how to demonstrate its impact: 11 January 2018, 10am – 4pm

The workshop will help you to understand what Impact is and the language associated with it, increase your awareness of the different methods to identify outcomes and outputs and start you on the journey of assessing your volunteering impact.

Fundraising Made Easy: 18 January 2018, 10am – 4.30pm

The workshop will introduce participants to the key aspects of fundraising. It will support participants to understand the jargon used, to map their fundraising needs in relation to the 'spectrum of income generation' and think about what key information is needed to complete successful grant applications.

Finance Made Easy: 13 February 2018, 10am – 4.30pm

The workshop will explore the key components of good financial management, including the role of financial controls; budgets; cash flow; management accounts and balance sheets

Fundraising & Beyond: diversify and grow your income – 15 March 2018, 10am – 4.30pm

This is an introductory two-part workshop covering the key elements of developing an Income Generation Strategy. What do I need to know in order to have a strategy? What income is available? Can I trade?

Please note that new resources are added regularly on [Income Generation](#) and [Managing your finances](#) amongst others.

3. Grants

3.1 December 2017

[Woodroffe Benton Foundation](#)

The Foundation will fund project activities in the following categories: i) Relief of Hardship, ii) Care for the Elderly, iii) Education & Youth Development, iv) Environment & Conservation. Grants are targeted at small registered charities and can apply for amounts of £500 - £2,500.

Deadline: 6 Dec 2017.

[Clarion Digital Communities Fund](#)

Grants of between £1,000 and £5,000 are available for voluntary and community organisations working to support Affinity Sutton and Circle residents of all ages to get and stay online and to build the skills, motivation and confidence to use the internet safely as an everyday tool. The funder has properties and presence in Southwark and Lambeth. Please note that the Fund is not primarily aimed at helping people to use a computer.

Deadline: 13 December 2017 (12noon)

[Help the Homeless](#)

The main funding focus is provision of grants (generally up to £5,000) for capital costs to small and medium-sized registered charities (turnover of under £1m per annum). Applications must relate to projects that assist individuals in their return to mainstream society, rather than simply offer shelter or other forms of sustenance. It should clearly describe the aims and structure of your organisation, your future plans and specific details of how any grant money will be spent. A copy of the latest available audited accounts is also required.

Deadline: 15 December 2018

[The Ironmongers' Company](#)

Grants of up to £10,000 are available to registered charities for projects that support disadvantaged young people under the age of 25 to reach their full potential.

Projects should include educational activities which develop learning, motivation and skills and have clear aims and objectives.

Deadline: 15 December 2017

[United St Saviours Small Grants Fund Round 3](#) **!Southwark Opportunity!**

Round 3 of the Community Engagement Programme (small grants) for 2017/18 is now open to online applications for projects starting from late January 2018. Projects and organisations are invited to apply who can help to achieve the aims of our 3 priority themes:

- Strong, Resilient Communities
- Positive Ageing
- Levelling the Playing Field

Grants of up to £5,000 are available, although the average amount awarded last year was £2,000. Please contact Matthew Allgood at USSC to find out more about the Community Engagement Programme and/or to discuss an application.

Deadline: 15th December 2017

[Neighbourhood Planning Grants](#)

The grants programme will support communities that want to develop Neighbourhood Plans, with grants of up to £9,000. A second element grant involves technical support packages provided by AECOM, and an additional grant package of £6,000 (bringing the grant ceiling amount available to £15,000). You can for example apply for a grant to develop a website, put together a project plan, undertake a local survey, develop your evidence base, or hire a planning expert.

Deadlines: 15 December 2017 (for decisions in January 2018)

31 January 2018 (final closing date)

[Cockayne - Grants for the Arts](#)

The purpose of the Fund is to support art as a way of enriching life experience, and grants are focused on arts projects in London that provide opportunities to artists from diverse cultures. The current focus includes: i) New work or ground-breaking re-interpretations of classic repertoire that demonstrate the potential: for artistic excellence, to reach large and diverse audiences, and/or to make a significant, new contribution to the art form; ii) Art that is experimental, risk-taking, and/or engages controversial issues; iii) Projects that involve young artists. Average grant sizes are in the range of £1,000 to £25,000.

Deadline: 19 December 2017 (12noon)

[MOPAC Community Seed Fund \(Knife Crime\)](#)

The Fund's aim is to support grass-roots community groups involved in protecting young people and eliminating violence from our communities. It aims to enable such communities to develop their own responses and solutions to preventing young people from engaging in knife related offending and, helping those already involved to exit. Voluntary and community organisations are invited to apply for up to £50,000 for projects that will achieve the objectives of the Fund.

Deadline: 21 December 2017 (5pm)

3.2 January 2018

UK Theatres Grants Scheme

The grants scheme is a capital fund that awards up to £5,000 to theatres run by charities and non-profit groups. You must own or manage the theatre with titles or signed leases of more than 5 years on buildings, and clearly demonstrate the value capital improvements to their theatres would make to your work in local communities.

Priorities include projects that address urgent building repairs, improve operational viability, introduce environmental improvements, and enhance physical accessibility.

Deadline: 7 January 2018

The Fore

The Fore offers small charities and social enterprises access to development funding and strategic support. 4. Contracts

Please note there are also a number of opportunities currently showing pre-procurement information – please contact development@communitysouthwark to undertake a search on www.fundingcentral.org.uk

Government invites bids for new Mental Health Care funding

The Government is committing another £15 million to improve mental health at the local level. The new fund follows on from the £15 million Improving Places of Safety scheme (2015-2017) that aimed to reduce the number of people who end up in a police cell following detention under the Mental Health Act. The new capital grants scheme is focused on improving urgent and emergency mental health care (including conditions such as psychosis, bipolar disorder, and personality disorders that could cause people to be a risk to themselves or others) by investing in facilities and infrastructure in local area.

The funding is focused on:

- Preventing people from reaching crisis point in the first place.

Helping to develop new approaches to support people who experience a mental health crisis. The scheme, which is for people of all ages from children to older people, will disperse capital funding, either as Public Dividend Capital to the NHS or as grants to other providers. The minimum grant is £5,000. There is no maximum award.

Deadline: 23.59 on 21st January 2018

5. Corporate Social Responsibility (CSR) and other offers

Involve - Corporate support through practical Team Challenges

The Involve programme at Community Southwark aims to drive practical corporate support to charities, social enterprises, community organisations and schools in Southwark, helping them to improve both their indoor and outdoor spaces. With teams of between 10 and 50 corporate volunteers we can complete those large projects that are usually not taken on due to lack of resources in just 1 or 2 days. The Involve Team both organises and facilitates the volunteer Team Challenges and liaises directly with the corporate partner who will fund all tools and materials for each project so the service is FREE to our community partners. If your organisation matches the above description and could benefit from practical support, please contact matthew@communitysouthwark.org

6. Loans

Bright Ideas Trust (London)

Intended specifically to help London-based young entrepreneurs, the Trust will address the issue of first-time businesses failing soon after setting up, due to a lack of experience. Maximum employees is 50 and the loans are between £1,000 and £25,000

Big Issue Invest – London Housing Fund

The London Housing Fund was set up by Big Issue Invest in 2016 to celebrate its tenth anniversary. The £10 million fund, with support from the Greater London Authority, will provide loans to community organisations, social enterprises, charities and smaller housing associations to renovate empty homes or buildings and convert them into good quality affordable housing for Londoners to rent or part buy.

Loans of between £50,000 and £2 million are available with competitive rates and flexible terms. Exact loan terms will vary slightly with each proposition, but in practice, Big Issue Invest will aim to offer a fixed interest rate.

Big Issue Invest - Social Enterprise Invest Fund

Financial assistance is available in the form of loans to social enterprises and registered charities based in the UK. Loans of between £50,000 - £1.5 million can be provided. Grants are not provided.

Big Society Capital

Investments are available to Social Investment Finance Intermediaries (SIFIs) based and working within the UK for projects tackling major social issues within the UK. Loan investment of between £500,000 and £15 million.

CAN Early Intervention Fund

The Fund supports early intervention projects and aims to accelerate positive early intervention impact on communities and individuals in London.

Charity Bank - Loan Finance

Affordable loan finance and advice to registered charities, as well as to community associations, voluntary organisations, community businesses, social enterprises or a social landlord, as long as the purpose of the loan is charitable and to help them to grow. It often lends where banks or building societies either will not make a loan at all, or will only do so on unaffordable terms.

Community Investment Fund

Loans and equity investments are available to community based, locally led charities and social enterprises in England that are providing essential health, social care, education and training services to improve the well-being of local residents. Loans and investments of between £250,000 and £1 million are available. Most investments are expected to be secured against the investee's assets.

Fredericks Foundation

Provision of loans to small businesses and start-ups in Berkshire, East Sussex, Northamptonshire, Bristol & Bath, Gloucestershire, Oxfordshire, Buckinghamshire, Hampshire, Somerset, Cambridgeshire, Isle of Wight, Surrey, Cornwall, Kent, West Sussex, Derbyshire, Lincolnshire, Wiltshire, Devon and London. Loans are available from £500 to £10,000 per business, over terms from six months to five years at competitive interest rates. Loans of up to £20,000 may be available for established businesses with a financial track record of at least three years in some areas.

London Energy Efficiency Fund (LEEF)

The London Energy Efficiency Fund (LEEF) focuses on investing in energy efficiency retrofit to public sector buildings, including:

- The adaptation and/or refurbishment of existing public and/or voluntary sector buildings (e.g. Local Authorities, universities, hospitals, schools) to make them more energy efficient, sustainable and environmentally friendly; and/or,
- Improvements to existing social housing properties to make them more energy efficient (with a cap of c. £11m).

LEEF provides loans which have the following advantages over other potential sources of finance:

- Price – LEEF financing may be cheaper than other sources of finance and thus offers excellent value for money for the public and private sectors. LEEF will lend up to £20m per project and has £70m+ to invest just in London.
- Term – There are no maximum or minimum terms for LEEF money, or fixed payback periods. LEEF will look at 10-12 year money or short term development finance. There are also no early repayment fees.
- Flexibility – LEEF can offer sculpted repayment profiles which allow the borrower to match payments to revenue savings – as a result projects can be at worst revenue neutral or cash positive for the borrower.

Start Up Loans

This is a government-backed personal loan scheme which offers an affordable source of finance and is available to individuals looking to start or grow a business in the UK. Applicants can borrow from £500 to £25,000, with a fixed interest rate of just 6% per annum and a 1-5 year repayment term. Loan recipients are also offered up to 12 months of mentoring support and access to a range of special business offers.

7. Crowdfunding

Crowdfunding is a form of microfinance where large numbers of individuals make small donations towards new projects or start-up enterprises.

8. Online Fundraising

As well as Crowdfunding (above) there are now so many ways to fundraise online – but which sites will work for your organisation and what do they all do?

[Making the most of digital donations: A practical guide to selecting and using online giving platforms](#) (PDF) offers organisations a strategic approach when choosing a provider and will be a valuable resource for all charities that are looking at how they can maximise their fundraising presence online by working with online giving platforms. The guide will also be particularly useful for smaller charities that may be less sure about how online giving platforms work or what they need to do when working with different partners.
