1. Welcome

Welcome to June's Income Generation & Funding Bulletin.

Welcome to June's bulletin! Check out some of the funding opportunities we have packed into this edition, including the Mayor of London's [Young Londoners Fund](#) and the [Young London Inspired - Multi Year Grants](#), both offering grants of £10,000-£30,000 per year for up to 3 years to support children and young people projects. [The Good Neighbourhood Fund](#) has returned with grants of £5,000 - £10,000 for projects working with older people, mental health peer support and integration of refugees and asylum seekers.

Plus, we have a full training programme of free events – see below.

Remember, you can also find out about local funding in between bulletins through [the Funding section](#) under 'News & Jobs' section of Community Southwark website. This bulletin cannot cover everything, but we can help you to do a [Funding Central](#) search based on your criteria, so do get in contact if you would like to do this.

If you would like any further support with development or income generation please contact the **Development Team** at development@communitysouthwark.org

Enjoy!

4. Contracts

Please note there are also a number of opportunities currently showing pre-procurement information – please contact development@communitysouthwark to undertake a search on www.fundingcentral.org.uk

5. Corporate Social Responsibility (CSR) and other offers

Involve - Corporate support through practical Team Challenges

The Involve programme at Community Southwark aims to drive practical corporate support to charities, social enterprises, community organisations and schools in Southwark, helping them to improve both their indoor and outdoor spaces. With teams of between 10 and 50 corporate volunteers we can complete those large projects that are usually not taken on due to lack of resources in just 1 or 2 days. The Involve Team both organises and facilitates the volunteer Team Challenges and liaises directly with the corporate partner who will fund all tools and materials for each project so the service is FREE to our community partners. If your organisation matches the above description and could benefit from practical support, please contact involve@communitysouthwark.org

6. Loans

Bright Ideas Trust (London)

Intended specifically to help London-based young entrepreneurs, the Trust will address the issue of first-time businesses failing soon after setting up, due to a lack of experience. Maximum employees is 50 and the loans are between £1,000 and £25,000

Big Issue Invest – London Housing Fund

The London Housing Fund was set up by Big Issue Invest in 2016 to celebrate its tenth anniversary. The £10 million fund, with support from the Greater London Authority, will provide loans to community organisations, social enterprises, charities and smaller housing associations to

renovate empty homes or buildings and convert them into good quality affordable housing for Londoners to rent or part buy.

Loans of between £50,000 and £2 million are available with competitive rates and flexible terms. Exact loan terms will vary slightly with each proposition, but in practice, Big Issue Invest will aim to offer a fixed interest rate.

Big Issue Invest - Social Enterprise Invest Fund

Financial assistance is available in the form of loans to social enterprises and registered charities based in the UK. Loans of between £50,000 - £1.5 million can be provided. Grants are not provided.

Big Society Capital

Investments are available to Social Investment Finance Intermediaries (SIFIs) based and working within the UK for projects tackling major social issues within the UK. Loan investment of between £500,000 and £15 million.

CAN Early Intervention Fund

The Fund supports early intervention projects and aims to accelerate positive early intervention impact on communities and individuals in London.

Charity Bank - Loan Finance

Affordable loan finance and advice to registered charities, as well as to community associations, voluntary organisations, community businesses, social enterprises or a social landlord, as long as the purpose of the loan is charitable and to help them to grow. It often lends where banks or building societies either will not make a loan at all, or will only do so on unaffordable terms.

Community Investment Fund

Loans and equity investments are available to community based, locally led charities and social enterprises in England that are providing essential health, social care, education and training services to improve the well-being of local residents. Loans and investments of between £250,000 and £1 million are available. Most investments are expected to be secured against the investee's assets.

Fredericks Foundation

Provision of loans to small businesses and start-ups in Berkshire, East Sussex, Northamptonshire, Bristol & Bath, Gloucestershire, Oxfordshire, Buckinghamshire, Hampshire, Somerset, Cambridgeshire, Isle of Wight, Surrey, Cornwall, Kent, West Sussex, Derbyshire, Lincolnshire, Wiltshire, Devon and London. Loans are available from £500 to £10,000 per business, over terms from six months to five years at competitive interest rates. Loans of up to £20,000 may be available for established businesses with a financial track record of at least three years in some areas.

London Energy Efficiency Fund (LEEF)

The London Energy Efficiency Fund (LEEF) focuses on investing in energy efficiency retrofit to public sector buildings, including:

- The adaptation and/or refurbishment of existing public and/or voluntary sector buildings (e.g. Local Authorities, universities, hospitals, schools) to make them more energy efficient, sustainable and environmentally friendly; and/or,
- Improvements to existing social housing properties to make them more energy efficient (with a cap of c. £11m).

LEEF provides loans which have the following advantages over other potential sources of finance:

- Price – LEEF financing may be cheaper than other sources of finance and thus offers excellent value for money for the public and private sectors. LEEF will lend up to £20m per project and has £70m+ to invest just in London.
- Term – There are no maximum or minimum terms for LEEF money, or fixed payback periods. LEEF will look at 10-12 year money or short term development finance. There are also no early repayment fees.
- Flexibility – LEEF can offer sculpted repayment profiles which allow the borrower to match payments to revenue savings – as a result projects can be at worst revenue neutral or cash positive for the borrower.

Start Up Loans

This is a government-backed personal loan scheme which offers an affordable source of finance and is available to individuals looking to start or grow a business in the UK. Applicants can borrow from £500 to £25,000, with a fixed interest rate of just 6% per annum and a 1-5year repayment term. Loan recipients are also offered up to 12 months of mentoring support and access to a range of special business offers.

7. Crowdfunding

Crowdfunding is a form of microfinance where large numbers of individuals make small donations towards new projects or start-up enterprises.

8. Online Fundraising

As well as Crowdfunding (above) there are now so many ways to fundraise online – but which sites will work for your organisation and what do they all do?

[Making the most of digital donations: A practical guide to selecting and using online giving platforms](#) (PDF) offers organisations a strategic approach when choosing a provider and will be a valuable resource for all charities that are looking at how they can maximise their fundraising presence online by working with online giving platforms. The guide will also be particularly useful for smaller charities that may be less sure about how online giving platforms work or what they need to do when working with different partners. (Charity Finance Group)

The amount your charity gets can vary vastly depending on which website you pick - this site-by-site guide helps you decide where to set your fundraising page up. **[Money Saving Expert](#)** has a useful comparison tool to help you choose.
