Southwark

£ PRIZE DRAW WIN £50 !!!

(draw mid-August)

Just 15 minutes to complete

A Survey of Services

FIVE SURVEYS WILL WIN £50 EACH

For ALL voluntary groups in Southwark

The Southwark Social Prescribing Network

(link) [SURVEY OF SERVICES](#)

WHO SHOULD COMPLETE THIS SURVEY?

ALL Voluntary and Community Groups who offer activities and advice to residents of Southwark.

HOW WILL COMPLETING THIS SURVEY HELP MY ORGANISATION?

By letting us know what services you provide, or would like to provide, and the support you need we can:

- Offer you access to FREE advice and training
- Support with finding appropriate funding
- Connect you with local Social Prescribing Link Workers
- Add you to the Social Prescribing directory of services
- If you're new to social prescribing, we can support your organisation to become 'Social Prescribing Ready'

WHAT IS THIS SURVEY FOR?

The survey hopes to discover:

- Where activities are available
- The types of service and activities offered
- Which different groups of residents are being served
- The capacity you have to provide services
- What help and support you might need

A THANK YOU FOR COMPLETING THIS SURVEY!

- You will be entered for the £50 PRIZE DRAW*
 - Ask to be featured on our website to promote your services
- For details email: stas@communitysouthwark.org

Helping people at a time when they most need it is what social prescribing is all about.

Social prescribing, sometimes called community referral, helps people live their lives as well as possible by linking them to local advice and community activities to support health and wellbeing through their Link Worker, GP, and other health professionals.

Thank you for taking the time to complete this survey which will help to improve social prescribing for local people.

This survey should take about 15 minutes.
